Requirements Division, S/P&P

2 August 1949

Chief, B/EE

Adequacy of 00 Reporting

- 1. Reference is made to your memoranda submitting information obtained from the source designated as P&P No. 1337.
- 2. It is requested that you convey to 00/C our appreciation for their extremely rapid and thorough handling of our requests for information on Czech steel submitted to the subject case.
- 3. The timeliness of the response made the information of considerable value in the preparation of a B/FE priority report. Such prompt handling of urgent matters is to be commended highly.
